

Make Your Day:

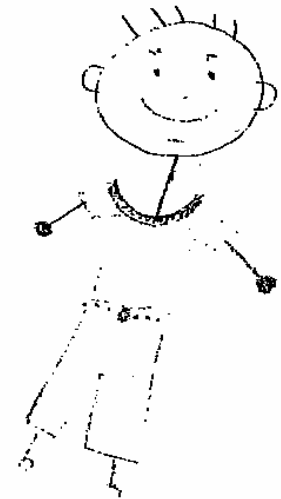

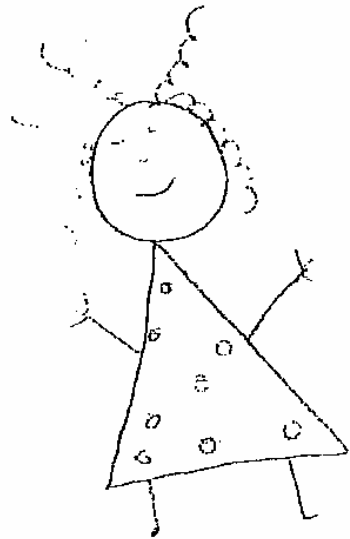

Steps

I like to go to school and learn.

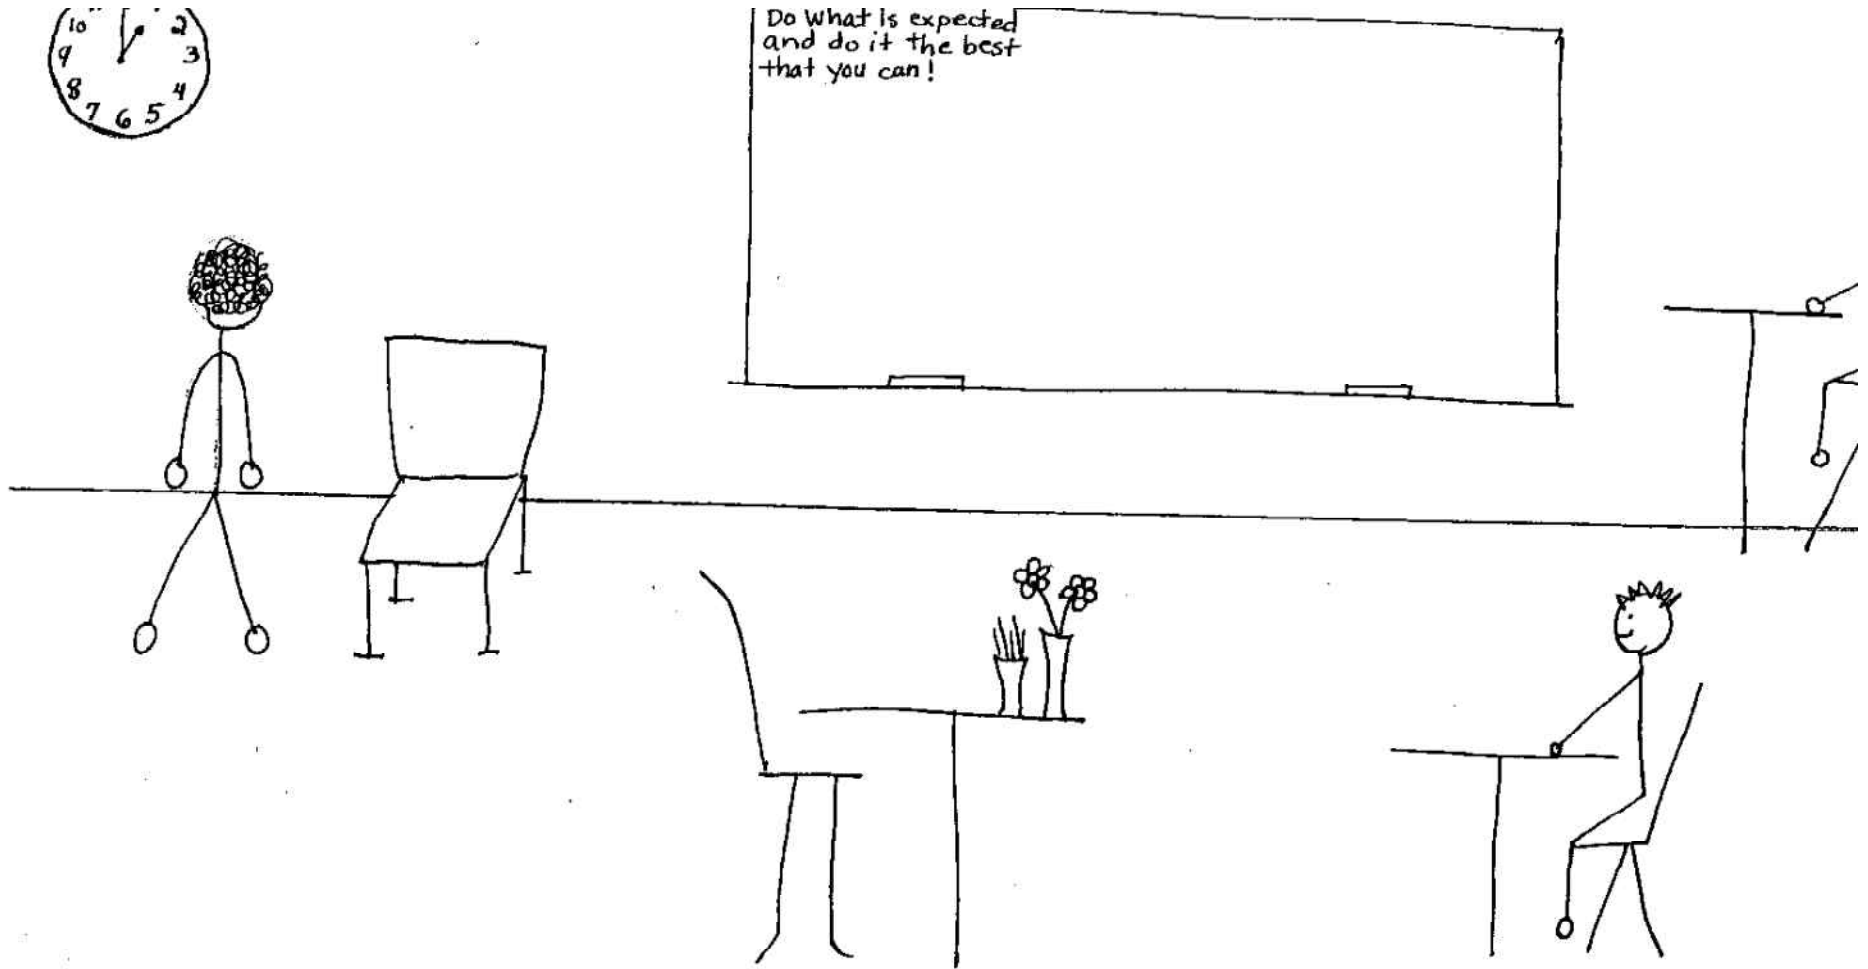

Sometimes I interfere with my friend's learning by talking or touching.

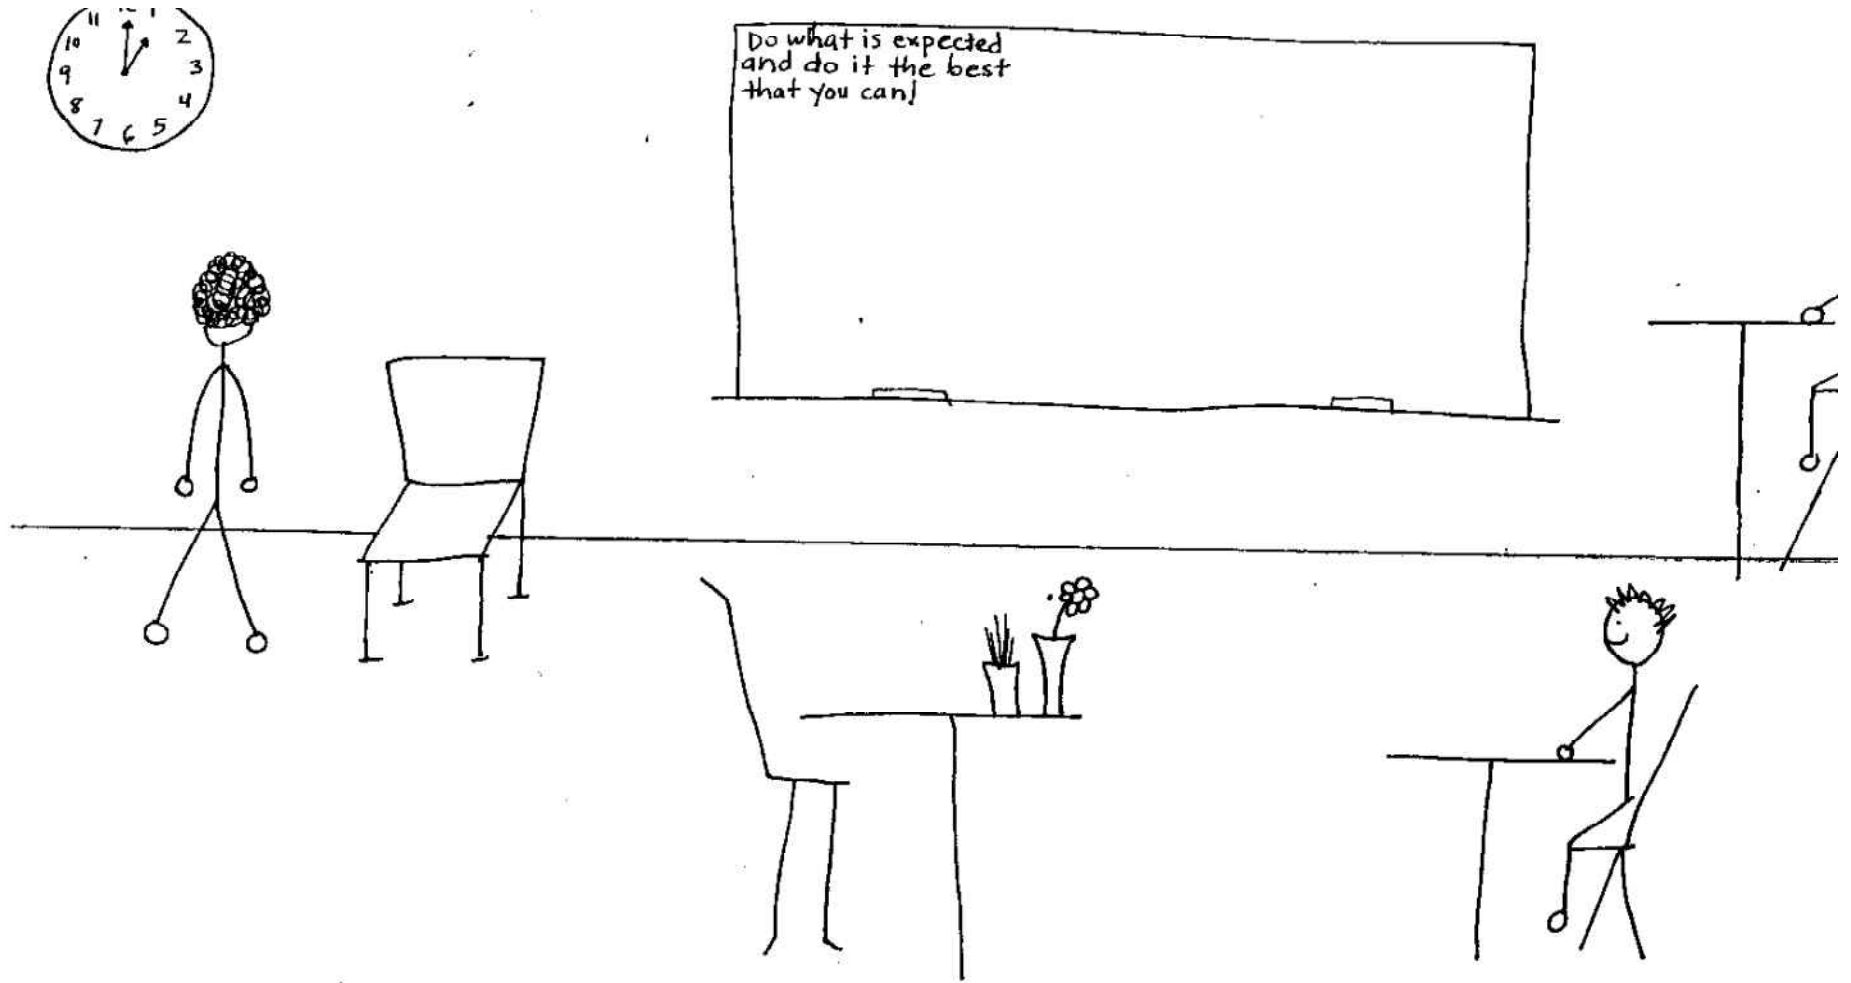

I am allowed step **1** when this happens.

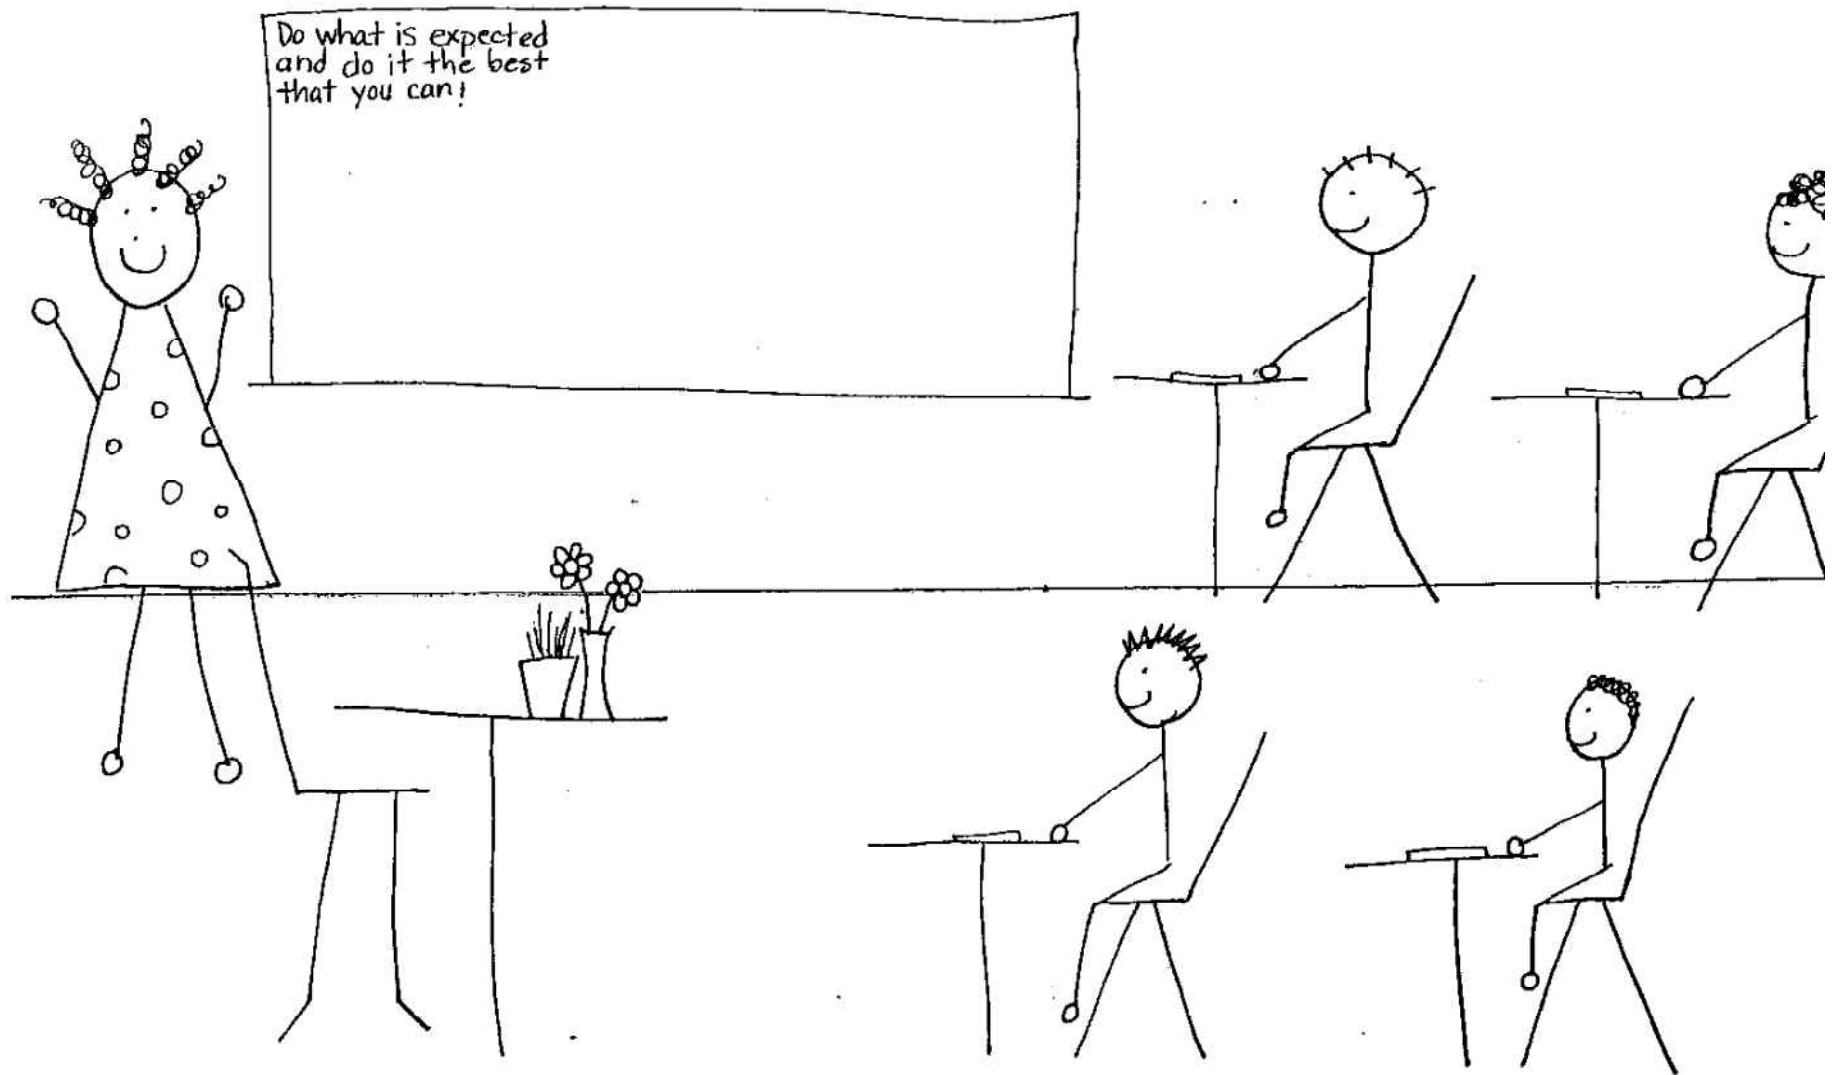

When I sit in step **1**, my hands are resting and I am thinking about my choices.

If I don't sit in step 1 appropriately, I am allowed step 2.

Choosing step doesn't mean I'm a bad kid, it just means I need help making better choices.

I like to make good choices and learn.
