

Hello,
I'm visiting your classroom to ensure consistency in the Make Your Day program and to help you in any way possible. This is not an evaluation, but a checklist to help you use the MYD program effectively.

Rule posted clearly in the classroom.

Steps used appropriately.

Student approached correctly.

Student taken off Steps correctly.

Cueing not occurring.

Points done correctly.

Overhead or Point poster used.

Student Point book out and all students paying attention (not working or talking).

Reason given for Point evaluation, if applicable.

Concerns done correctly.

Names read aloud, name by name.

Students raise hand if they have a Concern.

Concern phrased correctly by student.

Points adjusted correctly.

Points written down only after all Concerns.
